Dear Dr. Allen,

I want to thank you for "A Chronological Index" which came a few days ago. It seems to me that it will be much help to all interested and to those who have watched Korea's growth from the first - it will be as interesting as a romance.

Much has taken place since I left Seoul, & there are many new names, and yet even I can read much between the lines. There was a peculiar pleasure in going over the names made familiar to me only through you and Mrs. Allen. I am proud to have it and thank you

most heartily for sending  
me a copy.

Please give my love to  
Mrs. Allen - I hope she got  
my letter sent some weeks  
ago.

With best wishes for  
your continued suc-  
cess.

Yours sincerely,  
Lavinia D. Harrison.
